

# BREATHE FREELY FROM THE YOUNG TO THE ELDERLY

**NeilMed SINUS RINSE** is an easy squeeze bottle system that allows you to deliver the saline solution with positive pressure to clean the nasal passages thoroughly, while maintaining your head in an upright position. You have complete control of the pressure and volume of solution, ensuring a gentle, soothing and therapeutic experience. Daily rinsing is safe and will keep your nasal passages clean, healthy and open.

## Advantages

- Soothing, No Burning or Stinging **Large Volume & Low Pressure**
- System for Saline Nasal Irrigation, Moisturization and Daily Nasal Hygiene
- Single piece, custom-designed rounded black cap fits any nasal opening. No push and pull components make for easy cleaning.
- Preservative, Drug, Iodine, BPA, Gluten and Latex Free
- Premixed Packets of USP Grade Sodium Chloride & Sodium Bicarbonate (Purity level 99% or higher)
- Suitable for use after sinus surgery and during pregnancy. Consult your physician with concerns.
- Portable for travel

**NasaMist Isotonic Saline Spray** is a sterile natural soothing saline spray. Applying a gentle fine mist in the nose is an excellent way to keep the nasal passages moist. NasaMist Saline Spray comes in isotonic, pediatric and hypertonic concentration. Nasal sprays should not be mistaken for large volume irrigation systems like Sinus Rinse Nasal Wash.

## Use For

- Nasal Allergies and Dryness
- Sinusitis, Rhinitis
- Allergic Asthma
- Post Nasal Drip
- Sinus Pressure & Nasal Congestion
- Nasal Symptoms from Flu and Cold
- Nasal Irritation from Occupational and House Dust, Fumes, Animal Dander, Grass, Pollen, Environmental Pollutants and Smoke
