

For your kind information:

GA²LEN - ANACARE

Educational Webinar Series on
different aspects of Anaphylaxis

Dear Doctors,

GA²LEN has established the ANACARE initiative to improve the management of Anaphylaxis. The main aims of GA²LEN ANACARE are to provide excellence in Anaphylaxis management, education and to increase the knowledge of Anaphylaxis.

We would like to inform you about the latest ANACARE initiative, an **Educational Webinar Series** of 10 events covering all aspects of anaphylaxis from recognition to management.

For more information about the GA²LEN ANACARE Webinar Series and for free registration, please visit the GA²LEN website:
