Message from President Malaysian Society of Allergy and Immunology (MSAI)

Persatuan Alergi dan Immunologi

Dear Friends and Colleagues

On behalf of the Malaysian Society of Allergy & Immunology (MSAI), we have great pleasure in extending our invitation to you to participate at the 24th Malaysian Congress of Allergy and Immunology (MSAI Congress 2025) in collaboration with the Global Allergy and Asthma Excellence Network (GA²LEN).

The GA²LEN ADCARE ALLERGY SCHOOL 2025 which is supported by MSAI, will be held on April 12th - 13th, 2025 while the MSAI Congress is scheduled for April 14th, 2025. Both events will be held at Hilton Kuala Lumpur Malaysia

The programme for April 14th, 2025 would be dedicated to our annual congress and would involve topics (presented in symposia and workshops) and this would be distinct from the GA²LEN ADCARE ALLERGY SCHOOL. Programme for 12th and 13th April, 2025 is organised by GA²LEN Excellence. This highly sought event has been conducted worldwide and will bring in experts both internationally and the region to share their experience on how best to conduct clinical practice in Allergy.

Both events would not only provide a good platform as a learning experience, but, it will also be an opportunity to exchange ideas and expertise, whilst creating a mutual networking atmosphere for the betterment of our patients with allergic disease.

Judging from similar events held in the past in Malaysia, we are expecting a good take up rate from both participants and sponsors.

For more information: <https://link-allergymsai.org/ga2len-adcare>

Looking forward to your participation.

Thank you and best regards.

Yours sincerely,

Prof Dr Salina Husain

President

Malaysian Society of Allergy and Immunology (MSAI)
